

MOTOBÉCANE

MOTOBECANE was established over half a century ago and is now the largest two wheel manufacturer in Europe, which specializes in producing Motorcycles, Motorbikes, Standard Bicycles and hand built touring and racing bicycles.

MOTOBECANE exports to many countries around the world with a special design to suit the needs of each. The bicycles in this catalogue are built for the U.S. market with unique specifications especially designed for the American taste and riding habits.

MOTOBECANE quality and performance speak for itself — Leaf through this catalogue and see the difference!

NOBLY/10

The 10-Speed bicycle which is distinctively classic in design. Built for comfort and smooth riding. Equipped with stainless steel fenders and light rear carrier.

NOMADE

Built for the young cyclist who wants to enjoy the pleasure of a true lightweight 10-Speed bicycle.
